

# The Grand Duchy of Karamaikos, 1000 AC

Based on GAZI, TMI and Karamaikos: Kingdom of Adventure

Cartography by Thorfinn Tait, January 2005

Last revised March 2006

www.thorff.co.uk

8 miles  
1 hex equals 8 Miles

### Notes

In order to make it as detailed as possible, this map has been made with reference to all available official sources. The intention is to make this the new standard for maps of Mystara. Therefore, please do not hesitate to address any problems, complaints or reports of inaccuracies to the cartographer.

Perhaps the most notable feature of this updated map is the forested hills, long described in the text but included for the first time in Karamaikos: Kingdom of Adventure. Another version with most of the hills changed to forested hills is also available.
